Sakura Goto in *Yaoi*

I created this story about five years ago for the LMS contest. It was my first work published in a magazine! So embarrassing!

In those days, I think I wanted to draw an easy-to-read love comedy instead of fantasy material. It took me only two days to create the characters and draft up the storyboards.

You can't really tell that these two are the basis for Shin and Louis (from *Hyouka* Rinbo). "Laugh" fundamentally, I have a liking for girls who are strong and steady to the core. I put this story into this volume (Volume 02 of *Hyouka* Rinbo) thanks to that.

That is all!
